

Online Payment Center Privacy Policy

Gastroenterology Associates of Gainesville, P.C., Gainesville Endoscopy Center, LLC and Braselton Endoscopy Center, LLC have partnered with Elavon Inc. and Converge in order to provide our patients a secure online payment center. Elavon Inc. is the 4th largest credit card processor in the United States.

Converge through Elavon Inc. provides a hosted page for each entity to manage the complex and secure routing of sensitive customer information through the credit card processing networks. The company adheres to strict industry standards for payment processing and uses a layered approach to combat fraud. The hosted pages are equipped with encryption software and have security protocols to protect patient information. In addition the hosted pages are compliant with the Payment Card Industry Data Security Standard (PC DSS).

For additional information regarding the privacy of your sensitive cardholder data, please refer to the Converge Privacy Policy and Terms of Use provided below.
